"A path is only a path, and there is no affront, to oneself or to others, in dropping it if that is what your heart tells you . . . Look at every path closely and deliberately. Try it as many times as you think necessary. Then ask yourself alone, one question . . . Does this path have a heart? If it does, the path is good; if it doesn't it is of no use." — [Carlos Castaneda](#)

“Aren’t you fed up with the constant hassle of never having enough of anything left at the end of every month?”

“Aren’t you “tired of being tired” due to too much work, not enough time, constant threats, coercion, duress, bullying, intimidation and the use of force to extract money from you by the greedy corporations, police authorities, speed camera agencies, taxation authorities, local councils, bailiffs, debt collection agencies and Court Enforcement Officers and HMRC or the IRS?”

“Are you not “fed up to the back-teeth” with the constant lies of politicians and government assuring you that there “just isn’t any more money for the public services, the NHS, the roads, schools, students, or you and your family when there sure as hell seems to be no shortage for them and theirs and the HS2 vanity projects?”

Well, if you've had enough of all of this – we have some very good news for you!

WeRe Bank Offers Unity and so strength in numbers

WeRe Bank offers only non-scrip or cheque book money. It is, a provider of finality of settlement under common law on the spot of time for all private, PUBLIC and commercial transactions.

WeRe Bank does **NOT** recognise as an **OBLIGATION** the **PUBLIC** side of any liability created against you since in 1931 in the United Kingdom, 1933 in the United States of America and globally from 22 July 1944 – all global inhabitants and sovereign beings had the ability to pay in lawful money taken from them by various bankster invasions based on the way that the money supply had been used historically.

From this point on you were FORCED from the private side to THE PUBLIC SIDE OF THE ACCOUNT and made to accept a fiat currency created by criminal banksters using Fractional Reserve Lending, usurious practices, deception, guile and trickery to steal the energy wealth from you.

SECURITY

WeRe Bank is un-hackable and has infinite energy supply based on access to the Universal Supply of Energy [USE]

WeRe Bank will accept a promissory note from you to help you begin to understand the simplicity of a system of monetary exchange whereby you can trade energy (your own freely and independently given) for goods and services. In effect all that WeRe bank does is allow you to become your OWN BANKER in return for a membership fee to ReMovement. It is

ABSOLUTELY NECESSARY THAT YOU JOIN WITH US TO DO IT, though you may ask: “Well, why don’t I just do it then myself?”

The reason you MUST JOIN through us is that on your own you will be scooped up and destroyed by the forces reigned against you – after all STRENGTH IS UNITY AND UNITY IS STRENGTH.

CONNECT WITH OTHERS

We provide a list of people and businesses prepared to accept the NEW PLANETRe ReServe currency – The **Re**

WeRe Bank is an energy conduit – it is a method of opening up another kind or fair and transparent energy usage.

FULL TRANSPARENCY

Benefits: You take action where action can be taken

You create a form of suffrage – you vote with your energy

WeRe Bank helps you ReSolve any and every debt crisis you face. You retain full title to all goods and property which you formerly DID NOT own

When people join they will receive a cheque book to help them create their own money

When you join you re-structure the planetary energy supply – you change the junction points on the train tracks of energy theft which has been perpetrated upon you and your ancestors.

CREATE REAL CHANGE

DO IT NOW

- **WeRe** BANKING ON YOU -

THE DESPERATE AGE OLD PROBLEM

WeRe Bank is unique in that it helps you create “**G**lobally **E**xchangeable **M**oney” by re-adjusting the existing deception within the equation of (TIME² WORK ENERGY = REWARD). This existing government banking trickery has been purposely & deliberately designed to place you in a position of slave or vassal. Owned by the banking government/corporatocracy you are told what to do and when and how to do it. You have no real choice other than to SLAVE in a system which dictates to you what you earn, how and when you earn it and then **ENSURES** via the Triple Towers of **TAXATION**, **INSURANCE** and **INFLATION** that your “earnings”, are taken from you over time in order to keep you strapped in the “Clown Car”. Taxation, enforced via illegitimate laws, bullying and threats, is taken to fund excesses of all kinds, wars, policing, civil projects, bail outs for “friends,” are all there to restrict and control you AND for the exploitation of the earth and its populations for the **SOLE BENEFIT** of a neo-feudalistic, tyrannical, despotic, hierarchically-aggressive, territorial, prison-planet elitist regime. Presently, you are **ONLY** an asset of a global corporation – a mere worker. This regime is only interested in one thing: **MORE** for them - Less for you!

How We Do it!

WeRe Bank's principal trading asset is called the **Re**. It is a unit of space and time and has Value as it is “exchangeable” or trade-able.” Units are created through expenditure of effort over time and we hold these units “on account” and pay them out to our customers. The units are (energy × expended time = **REWARD**) based upon exceptionally sound principles of Albert Einstein's ($e = mc^2$), where m = mass, c = speed/time, e=energy (General Theory of Relativity). This equation, upon reflection is the only **SOUND** premise for a unit of exchange/currency in this world. Units are denominated in 2 skill/time classes:

The **WeRe** Banking System is a people's banking facility as opposed to a “private corporation. Different in every respect it offers **TOTAL TRANSPARENCY** in all **TRANSACTIONS** and provides its customers, with a basic human right: “To earn a means of wealth exchange anywhere in the world, at any time of day or night, free from common hiring procedures, taxation and inflationary pressures, thus freeing our members to build meaningful wealth and freedom over time”.

Please be aware that **WeRe Bank** offers total freedom and release from the present Financial Debt Slavery system under which you suffer. However, in its embryonic phase it cannot deliver everything now that it **will be able** to in the future – so patience is required.

WeRe Bank's principle and ideology has a 60 year successful track record in Switzerland, a model which is reputed to be one of the Principle Philosophical Pillars which has ensured Swiss financial stability.
