COVID-19 MASKING GUIDELINES

It is understood that face coverings may be challenging for campers, particularly younger campers, in an all-day setting. Based on the updates and changes in New Jersey, the New Jersey Department of Health has revised the masking guidelines for the 2021 summer camp season.

ALL UNVACCINATED CAMPERS MUST BRING 2 MASKS TO CAMP EACH DAY

Indoors

- Unvaccinated campers are *strongly encouraged* to wear face coverings at all times, but particularly when physical distancing is difficult, unless (1) doing so is impracticable, such as when a camper is eating or drinking or (2) while the individual is in the water.

Outdoor Setting

- Campers are not required to mask, regardless of their vaccination status. Unvaccinated campers are encouraged to wear a mask in crowded outdoor settings or during activities that involve sustained close contact with other people who are not fully vaccinated.
- Vaccinated campers need not mask in indoor or outdoor settings. All vaccinated campers must provide a copy of their Vaccination Card to keep on file with the office.

Please Initial:
