# The Platinum Rule

John 13:31-35

1. Love is \_\_\_\_\_ than an emotion more than a feeling.
2. What was Jesus doing by \_\_\_\_\_ this New Command?  
A command to LOVE
3. Jesus was commanding His disciples to \_\_\_\_\_ something!!!
4. We are supposed to love \_\_\_\_\_ just as Jesus Loved us.
5. The rules and regulations associated with Jesus' \_\_\_\_\_  
could easily be committed to memory.
6. Love makes God \_\_\_\_\_.
7. God declares His \_\_\_\_\_ in a lot of different ways.
8. Why should His disciples \_\_\_\_\_ His command to Love?
9. Jesus' New Covenant commandments are far less \_\_\_\_\_  
but far more \_\_\_\_\_.
