Doctor's Notes (If any):

"Paws" to Read More!

If you have had new medication(s) dispensed today and would like to learn more about them, please visit www.RialtoAnimalHospital.com and click "Resources" then "Pet & Drug Library".

If your pet is experiencing an emergency when we are closed, please call either VCA California Veterinary Specialists in Ontario at (909) 947-3600 or Grand Terrace Animal Emergency at (909) 825-9350.

Did you know that we are AAHA Accredited? Only 15% of all U.S. & Canadian veterinary hospitals have received this recognition for providing the highest standards of veterinary care. Our acceptance into this elite organization is just one more way that we are showing our clients that we truly believe in giving our patients -your babies- the best of care.

Thank you for placing your trust in us.

Doctor's Notes (if any):

"Paws" to Read More!

If you have had new medication(s) dispensed today and would like to learn more about them, please visit www.RialtoAnimalHospital.com and click "Resources" then "Pet & Drug Library".

If your pet is experiencing an emergency when we are closed, please call either VCA California Veterinary Specialists in Ontario at (909) 947-3600 or Grand Terrace Animal Emergency at (909) 825-9350.

Did you know that we are AAHA Accredited? Only 15% of all U.S. & Canadian veterinary hospitals have received this recognition for providing the highest standards of veterinary care. Our acceptance into this elite organization is just one more way that we are showing our clients that we truly believe in giving our patients -your babies- the best of care.

Type

Debit Card

Merchant name ⓘ

[ARK ANIMAL HOSPITA](#)

Transaction category

[Personal & Family Care: Pets/Pet Care](#)

[DISPUTE TRANSACTION](#)

Investment, insurance and annuity products:

- Are Not FDIC Insured
- Are Not Bank Guaranteed
- May Lose Value
- Are Not Deposits
- Are Not Insured by Any Federal Government Agency
- Are Not a Condition to Any Banking Service or Activity

Investing involves risk. There is always the potential of losing money when you invest in securities. Asset allocation, diversification, and rebalancing do not ensure a profit or protect against loss in declining markets.
