"What a man does for himself dies with him. What he does for his community lives long after he has gone." – Theodore Roosevelt

Dear Friend,

What you contribute for your community today will have a lasting impact for tomorrow. The Friends of Miller County Foundation is inviting you to become a sponsor or vendor as part of the 2026 Farm and Home Show on November 7, 2026 at the Eldon Community Center.

Your sponsorship will support the Friends of Miller County Foundation with the mission to empower people to improve their lives, businesses and communities, with knowledge and resources with practical programming that is unique to the community's issues and interests.

Your support helps us continue to grow your county's programs for years to come in:

- Agriculture and environment
- Business and community development
- Missouri 4-H
- Missouri Master Gardeners/Missouri Master Naturalists
- Health and nutrition
- Family and home education through these programs, unique learning opportunities are created for you and your community. By giving a gift to the Friends of Miller County Foundation, you will help us solve Missouri's grand challenges around economic opportunity, educational access and health and well-being.

A gift of any size has the potential to impact and change the lives of many in your community. Please consider investing in the future of Miller County.

With heartfelt thanks,

Robb Young
