

It's time again for homemade guitars at the

# Bethany 66 Festival

Saturday, May 27th, 2023

9:00 AM to 4:00 PM—Main Street

Bethany, Oklahoma

## JUST LISTEN....

...for the sound of homemade guitar slide blues. Follow the notes to College Avenue, on the sidewalk in front of two shops: The Cottage and Splurge!

I'll have my trademark red carts full of cigar box and license plate guitars, battery-powered mini amplifiers, and many other assorted musical items and weird pieces.

Handmade guitars date back to 1800's America when "real" instruments were too expensive for most people, but cigar boxes were plentiful.

Come out and enjoy the food, music, classic cars, kids' parade, vendors and artists (my colleagues make some cool stuff!). Be sure to check out The Cottage and Splurge for snacks, sodas, clothes, candy, jewelry, you name it!
