VOLUNTEER INTEREST AREAS

- Adopt-a-trail: Routinely visit assigned trail segments to monitor and conduct light maintenance (clean trash, remove branches, etc)
- Trail Care Days: Rehabilitating and maintaining park trails on scheduled work days
- Firewood stacking as well as distribute wood to smaller wood sheds in campground
- Fundraising, recruiting, and raising awareness (may include representing the Friends of Pinchot at public events)
- Habitat restoration and invasive species removal
- Plant and care for new native flower gardens, young trees, and native shrubbery
- Light construction/carpentry (e.g., benches, turtle platforms, props for park programs). Designs and materials would be provided by the Friends of Pinchot
- Assist with the Friends of Pinchot Newsletter and other publications
- Other interests: _____

LEADERSHIP INTEREST: _____

Please indicate if you might be interested in taking a leadership role in a volunteer effort. Also, indicate the particular area(s) of interest for leadership. Use the reverse side, if needed.

SPECIAL EXPERTISE: _____

Please identify any specialized skills/knowledge you might offer (e.g., wildlife conservation, habitat restoration, park history, computer/tech skills) for which you are willing to be contacted. Use the reverse side, if needed.
