

Support Our 2nd Annual Chili Cook-Off for Type 1 Diabetes Awareness

Event Date: September 21, 2025

To Whom It May Concern,

We are proud to announce our 2nd Annual Chili Cook-Off, taking place on Sunday, September 21, 2025, to raise funds and awareness for **Breakthrough T1D** (formerly JDRF).

In March 2024, the owner's 5-year-old grandson, **Quinn**, was diagnosed with **Type 1 Diabetes (T1D)** — a life-altering condition requiring round-the-clock care, insulin therapy, and lifestyle changes. Inspired by Quinn's journey, our family and team are committed to supporting T1D research and awareness.

This event is more than just food and fun — it's a fundraiser to bring hope to the 64,000+ individuals diagnosed with T1D each year. We are seeking donations to support our **Chinese Auction**, which is a key part of the event's success.

Whether you're able to donate a product, gift card, service, or monetary contribution, your support truly makes a difference. With your help, we can move closer to turning **Type One into Type None**.
