

### **Vision Statement**

The Divine Connections Family Ministry vision at Greater Elizabeth Missionary Baptist Church is to provide opportunities – specifically for married couples, those thinking about marriage, and congregants– to strengthen their family relationships and their relationship with God through worship, fellowship, discipleship, ministry, and mission in order to inspire hope, bring healing, and the development of relational skills to our families in order to strengthen our communities.

### **Mission Statement**

The Divine Connections Family Ministry at Greater Elizabeth Missionary Baptist Church believes that according to Genesis 1:27-28, the family originated, was designed by, and was established by God. Our mission is to establish and secure the need for strong family and Godly relationships and love amongst each member of the family through open and honest dialogue, prayers, offerings, and service to God.
