LIGHTS OF HEALING MINISTRY

PURPOSE

The purpose of the Lights of Healing Ministry is to assist those affected by substance abuse and addictive behavior with holistic intervention and treatment. Additionally, we strive to educate the faith-based community and community at large about the hazards of substance abuse in hopes of preventing addictive behaviors.

DESCRIPTION

Lights of Healing Ministry is designed to impact the whole person spiritually, socially, psychologically and economically while bringing about healing and deliverance through Christ.

Our goals are:

- (1) To intervene on the dependent and or co-dependent's behalf in the early or late stages of conflict and abuse.
- (2) To teach, equip and treat our community members with spiritual, clinical and social tools resulting in sober outcome.
- (3) To encourage networking and fellowshiping with others as a means of building a solid system of support.

Program Highlights

- a. Counseling
- b. Intervention
- c. Prevention
