Mission

To reconcile youth back to God, themselves and their communities by promoting and developing a spiritual maturity that leads to personal, relational and educational success.

Vision

An empowered community of spiritually sound and educated, purpose-driven youth influencing their church and community positively, while striving to completely fulfill their divine purposes in life.

Empowered Disciples Guiding Everyone (EDGE) is the youth Ministry at the Greater Elizabeth Missionary Baptist Church. We have a heart of worship and passion for God through our Lord and Savior Jesus Christ! We stand on 1 Peter 2:9 and believe that God is alive and active in the lives of youth today.
