

Greater Elizabeth Missionary Baptist Church
Hospitality / Greeters Ministry

Description

The Greater Elizabeth Missionary Baptist Church (GEMBC) Hospitality/Greeters Ministry is a ministry of love. We strategically place ourselves in various areas of the church in order to serve others. We are friendly, kind and represent the GEMBC in a professional and Christian manner. We know and understand the importance of the persons that we serve and the need for human kindness. We respond in ways that emulate His goodness and take the responsibility to be the first to love by way of example.

We are acclimated to church service locations and/or events and we possess other pertinent information most commonly asked by our visitors and guests. We recognize needs of everyone who comes into our sanctuary, most importantly, the elderly, those physically challenged, and in assisting women/mothers with their small children. We build relationships with our guests through encouragement, fellowship, smiles, and lots of hugs. We invite others to come and acquaint themselves with our church and its various ministries.
