STYLING

guide

from the team

Marry Me Cyprus are pleased to introduce to you the very best in Hair & Make Up Providers for your Wedding.

We understand every Bride likes to make their own choices and we pride ourselves on the variety of amazing suppliers we work with to give you 'Your Wedding, with your choices'.

Within this brochure you will find a guide to the hair stylists & make up artists we work with in Cyprus. Please take a moment to look through, follow the links to the individual Facebook sites and browse through recent posts and client reviews to make your choices, then pop us an email or message to let us know so we can check availability for you.

Follow a step-by-step guide of choices available and we will do the rest! Remember to let us know how many require Hair & Make Up on the Wedding Day in addition to your own.

We understand you will want a 'trial' with your provider and these are arranged for you when you arrive for your Wedding Day and booked along with your Pre Wedding Meeting, 4-6 weeks before your fly.

If you do manage to pop over to Cyprus before the Big Day, let us know so we can arrange for this to be done earlier and allow you more time to relax and one less thing to have to do on the few days before the wedding.

Whatever you need, rest assured we have handpicked the Very Best in Suppliers for your Day.
