MARRY ME

Cyprus 

Congratulations!

WEDDING PLANNING

Congratulations on Booking Your Wedding Day, now Let the Fun Begin !
Exciting Times Ahead ! We've booked your Dream Day and we cannot wait to start the Planning with you both!

We have put together a 'Marry Me Cyprus Online Portal' to help guide and help you through the Planning Stages and to answer any questions, provide you with continued support and to keep you excited whilst we plan your Dream Wedding Day.

You can access this by going online to our website. As a Marry Me Cyprus Planning Bride you will be given a unique log on password to be able to access areas not open to the General Public. This is where you will find a LOT of information throughout the site, so take your time, take a look at the Checklists we have detailed and pop us an email if you have any questions.

PERSONAL WEDDING PLANNER

Once your booking has been confirmed and emailed to you, your 'Wedding Day' will be passed to our Planning Team who will provide you all the support you will need until we hand you to your 1-2-1 Personal Wedding Planner. This is normally done at the end of the Wedding Season prior to your Wedding Day. So if you are a September 2025 Bride you will be passed to your Personal Wedding Planner mid November 2024. Your Planner will be in touch to say 'Hi' and to take over the communications, preparations and planning with you from here on. Building a relationship is key to your Planning so remember our services are personal rather than electronic and albeit we have the online assistance, the dedicated Planning Team are available for your support from the day of booking!

So let's get started !

with love from

MARRY ME

Cyprus

We work as a Team. Each and every one of us plays an important part in your Day.

All our Wedding Planners are experienced in Wedding Planning in Cyprus and work collectively to deliver the VERY BEST WEDDINGS we can! You will be assigned a personal Wedding Planner for your Day, once your Wedding Day has been booked and confirmed by the Bookings Team. Your Planner will drop you a message to say 'Hi' and liaise with you throughout the entirety of the build up to the day, will finalise all your plans, choices and personal needs, be your point of contact, attend a Pre Wedding Meeting and be with you on the day! You will build a great relationship with your Wedding Planner that without doubt be professional, but friendly and approachable; becoming your Wedding Best Friend.

with our love xxx

'please be a little patient during busy times'

We understand how eager every Bride is to start their Wedding Planning and we are too, however we ask you kindly to remember that if we are in the season of Weddings (Mid-April to the End of October) your patience is very much appreciated, more so if you are a bride that your wedding day falls in the following year.

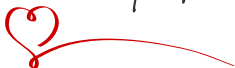

Once we confirm your booking and day you will find the 'core' suppliers have already been booked for you, with just the 'day needing to be put together' with the 'pretty choices'. If you have taken a look through the 'Extras' for your day and have found something you would like to add on drop the Wedding Planning Team an email at info@marrymecyprus.co.uk; if your Wedding is in the same season as your enquiry; your Wedding Planner will come back to you as soon as they can, remember they are with the current seasons' Brides. Please allow 48 hours for a response during our working (busy) season.

By no means underestimating the work we must do for your day, our Planners are experienced within all aspects of Supplier Management, Infrastructure, Preparation and 'When things need to be done.' testament to our 5* Reviews, Recommendations and Company Position.

You will find a 'Wedding Countdown and Checklist' in our 'Wedding Planner Guide' plus lots of helpful information on the process of putting your Dream Day together for you from here right through until the morning and day of your Wedding.
