

## CALVARY CHAPEL UNIVERSITY

---

To Whom it may concern,

I am writing on behalf of Deven Berryhill. I have known and served with Deven in various ministries for well over 20 years. It has been my joy and honor, truly, to work alongside him these fruitful years. We have served in a Christian High School, Non-Denominational church as well as Calvary Chapel University.

Deven is an extremely gifted and creative leader. He has been instrumental in leading and guiding various music programs over the years and has seen success in each area he has served. He is dedicated and dutiful to the calling he has had on his life.

Deven has helped start from scratch a number of key initiatives at Calvary Chapel University in our marketing and communications world. He has helped initiate, implement and measure multiple skews for analysis and data discovery, all resulting in a significantly deeper understanding of how various marketing and communications initiatives are actually making a difference.

Deven has a heart to serve and has been faithful and consistent in all he has set his heart and hands to do. He is a wonderfully anointed worship leader and a teacher of teachers in the music world. He has also helped develop mostly from scratch, our social media platforms, graphics and radio messaging and more! Deven has been a diligent and collaborative leader at CCU and has been invaluable in developing a Student Services Team from scratch, built an infrastructure and facilitated a world-class reporting structure and unified team.

Deven is principled and loyal and continues to bring a hopeful and fresh approach toward the ministry teams he serves. It is with the highest possible praise that I commend Deven to you! He has been part of the Lord's plans and teams we have served together on, and we would hire him again as I know you would be blessed to as well!

Please contact me with any further questions or needs.

Sincerely,

F. Chapin Marsh III Ed.D.
