Key West, FL – March 26, 2020 – Dolce Events and Marketing who pride themselves on their unique events and the producers of the Key West Food & Wine Festival, one of America’s top 10 Food & Wine Festivals, has partnered with Jim Martin, owner of Key West Trading Company Bourbon Whiskey to bring The Bourbon, Blues & BBQ Festival to Key West. The inaugural event September 3-7, 2020 is sure to delight festival goers with the abundant tastings of bourbons, and savory bites of barbeque.

The Bourbon Blues & BBQ Festival will take place throughout Key West with the center stage at the festival grounds of Truman Waterfront Park from Thursday September 3 through Monday September 7. The daily events include tastings, workshops & brunches, and it would not be complete without a whiskey walk down the streets of Key West. Many teams will compete in the best bourbon barbeque contest, which is comprised of celebrity judges and a people’s choice award. The award ceremony along with the Bourbonpalooza will wrap up the festival on Sunday afternoon.

The Main Stage will be on the Festival Grounds with entertainment featuring national recording acts from around the country & Key West’s favorite Blues musicians. You may find the complete line up of musicians, distillery’s and food teams at KeyWestWhiskeyfest.com.

Key West is internationally known for its festivals, which is why the team of Mark, Diane and Jim presents you with a southern tradition of smooth bourbon, sweet barbeque and blues to the island. It’s a combination loved by all. Who can resist good food, good drink and great music?. Tickets are on sale [here](#).
