INT. AIRPORT GATE - DAY

Three gate agents stand behind the desk at the gate.

One of the agents picks up the overhead microphone.

AGENT #1

Good afternoon passengers. This is the pre-boarding announcement for flight 75A to Los Angeles. We are now inviting those passengers with small children, and any passengers requiring assistance, to begin boarding at this time.

Another agent takes the microphone.

AGENT #2

And we at United would like to announce a few new cases which would allow you to pre board.

The third agent takes out a comically large binder filled with paper.

They open the binder and flip halfway through the papers to find the list of new cases.

They pick up the mic.

AGENT #3

If you still use wired headphones, you are now allowed to board.

Two people stand up and walk past the gate.

Agent #2 takes the mic.

AGENT #2

If you purchased Michelle Obama's autobiography at the airport bookstore, you are now allowed to board.

One person holding Michelle Obama's book walks past the gate.

Agent #3 takes the mic.

AGENT #3

If you listen to Glee covers of songs more than the original, you may now board.

Six people stand up and walk past the gate.

Agent #2 takes the mic.

AGENT #2

If you just ran across the airport
to get to this gate on time, do not
sit down, you may now board.

One overly exhausted man walks past the gate.

Agent #1 takes the mic.

AGENT #1

If you have ever eaten a bag of
Cheetos and gotten the dust all
over your fingers so you try to
lick it off but it's still there so
you try to wipe it off on your
pants but it still won't come off
and now you have Cheeto residue all
over your pants so you go
downstairs to get a paper towel and
your mother sees you at home in the
middle of the day so you have to
tell her that you lost your job and
that you've been hiding in the
basement every day for the last two
weeks so she cancels your
subscription to Cat Girls Monthly-

The other agents put their hands on Agent #1's shoulder to
calm him down.

Agent #1 calms down and picks the mic back up.

AGENT #1 (CONT'D)

You may now board.

Beat.

One person walks past the gate.

Agent #3 hesitantly takes the mic.

AGENT #3

Ummm... If you or a loved one has
ever been diagnosed with
Mesothelioma, you may now board.

Agent #1 takes the mic back.

AGENT #1
(rushing)
If you have ever had to write a
formal apology letter to your
mother you may now board.

Agent #2 grabs the mic out of Agent #1's hand.

AGENT #2
We thank you for flying United.

The gate agents close the gate door.

Everyone who was not allowed to pre board swarms the desk
asking when they are going to board.
