

# Evil Izzy's Evil Newsletter

August 22, 2024

Welcome to the very first Evil Izzy Newsletter! Halloween is on the horizon, so we wanted to establish a way to communicate all of our upcoming events and new products. We have a TON of new costumes and spooky products arriving over the next few weeks, so stay tuned to our socials for updates, or better yet, come check out our store! In the meantime, keep reading to see what we've got going on!

## Calling All Phoenix-Area Haunts!

Evil Izzy's is providing the community with the **Evil Izzy's Haunts Across Phoenix Interactive Map**.

We are looking for local attractions, haunts, and displays that would like to be included. Please provide up-to-date operating hours, dates and locations, as well as any special circumstances that the public should know about your location, such as strobing lights, age restrictions, and accessibility.

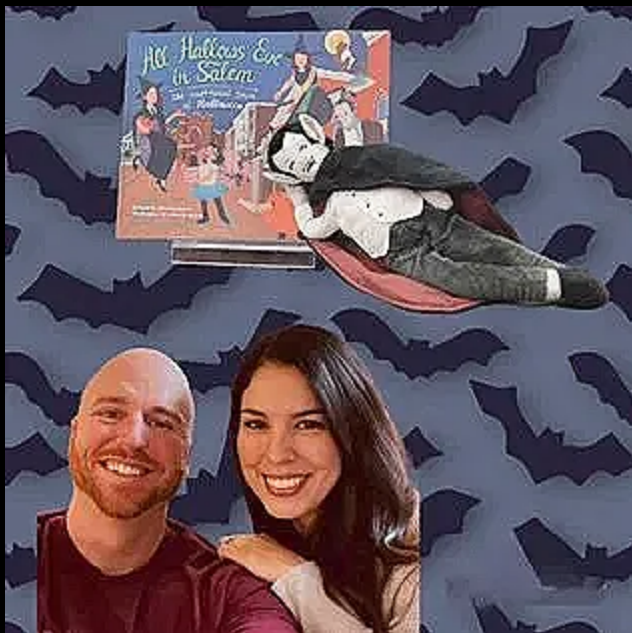

This will help our friends, families and loved ones navigate through the spooky season with ease.

Submissions will be reviewed in the order received, and listings will be posted October 1, 2024 through October 31, 2024. If your attraction opens before October 1st, let us know this as well.

Please send your submissions by September 30, 2024 to be showcased.

**\*\* Haunt Map participants will receive a Haunts Across Phoenix Sign and a QR code which directs people to the map website. This will not only inform attendees that they've arrived at the correct location, but will also provide an opportunity to quickly and easily find other attractions in the area.**

Please visit [this link](#) to submit your haunt.
