

FRANKLIN AVENUE MISSION PRESENTS

FAM JAM

June 5th,
2021

Featuring a free performance by **FLAME** and **Mike REAL**

A Family Friendly Hip Hop Festival

We are inviting **DJ's, MC's, Break Dancers,** and **Graffiti Artists** of all experience levels to create original material for the first annual F.A.M. JAM. Artists are encouraged to draw inspiration from any aspect of this year's theme: **FEAR LOVE TRUST: A Celebration of Luther's Small Catechism.**

What is Franklin Avenue Mission?

Franklin Avenue Mission is a nonprofit 501(c)(3) formed in the summer of 2014, and its focus is to *re-community the community* on Flint's Eastside. Servants and volunteers have since poured themselves into this diverse neighborhood characterized by poverty, hunger and violence and have provided compassionate care for those of whom Christ would consider *the least of these.*

Why Support F.A.M. JAM?

Throughout 2020 Franklin Avenue Mission has discovered that while the need for clothing, food assistance and personal hygiene items have increased nearly 100%, the ability for neighborly community to thrive has critically diminished. With your help F.A.M. JAM will meet this need by: 1) being free and accessible to all people, 2) restarting community based, neighborly relationships, and 3) establishing an event that provides a unique identity for Flint's Eastside.

F.A.M. JAM Proceeds

All proceeds generated from F.A.M. JAM will be directly used to improve the lives of men, women and children living on Flint's Eastside through the following ministries and others like them which can be found on our website.

Franklin Avenue Diner started in 2014; and, through it, Franklin Avenue Mission has been producing hot dinners every Tuesday and Thursday night for hungry Eastside residents ever since. In 2020 alone, we have served over 25,000 meals to those in need.

(Proceeds continue on the Next Page)

Mercy House is a 6-12 month transitional housing program created in partnership with *Wellspring Lutheran Services* for homeless mothers and their children. Under the guidance of a licensed social worker, mothers who enter the program are coached in areas such as financial planning, job preparedness and parenting, so that upon completion of the program they will be able to successfully provide housing and food for themselves and their families.

Custodial Training (Coming Fall 2020) is an opportunity for unemployed Eastside neighbors to receive paid, on-the-job training under our head custodian. After their two month contract is complete, each participant will receive a letter of recommendation and will be assisted in applying for long-term employment opportunities.

Luke Project 52 Clinic (Coming Spring 2021) is a mobile clinic designed for low-income mothers who are in desperate need of quality prenatal care. The most common reasons low-income mothers give for getting little or no prenatal care are: transportation problems, no insurance, and poor treatment by clinic staff. The Luke Project 52 Mother Baby Clinic strives to meet these women where they are at by coming to their communities with mobile care.
