The Due Process Institute Endorses The FAIR Act Bipartisan legislation protects Americans from abusive civil asset forfeiture

WASHINGTON, DC – March 27, 2019 - The Due Process Institute is endorsing the FAIR Act, HR. 1895, co-sponsored by Republican Reps. Tim Walberg, Tom McClintock, and Thomas Massie, and Democrat Reps. Jamie Raskin, Tony Cardenas, and Bobby Rush. The FAIR Act protects Americans against civil asset forfeiture practices that deprive citizens of their property without proper legal processes.

“The FAIR Act restores basic due process rights that have been undermined for decades because of abusive civil asset forfeiture practices. These meaningful reforms have been supported by policymakers and advocates on both sides of the aisle, and we are proud to count ourselves in that group,” said Shana O’Toole, President of the Due Process Institute.

“These are sensible, impactful reforms, and we look forward to advancing the FAIR Act to the President’s desk.”

The Due Process Institute is a bipartisan nonprofit that works to honor, preserve, and restore principles of fairness in the criminal legal system. For further inquiries, please contact media@idueprocess.org.
