ABOUT US

Built as a Vocational On-The-Job Training site for adults with Intellectual and Developmental Disabilities, The Mingus Job Accelerator (MJA) is operated by a Fort Worth, TX Non-Profit. The renovated property, located in Mingus, TX was an old grocery store purchased in 1906 by Italian immigrant relatives of Jan Underwood's family. Through their non-profit, the Each and Everyone Foundation, the Underwood's have donated the use of this property as well as additional funding through a family trust. The property boasts business opportunities such as Beneventi's Italian Restaurant, Sweet Loretta's Beer, Wine & Coffee Bar and CARE, a local animal rescue group. In addition to job training, the property has Tiny Houses for participants to reside in and learn valuable independent living skills. The Community Animal Rescue Effort (CARE) is housed in the old family liquor store. CARE provides rescue services, finding forever homes for hundreds of animals. On site, we have produce gardens and fruit trees to provide farm to table products for the restaurant and the community. Our participants come from surrounding counties, including Dallas, Tarrant and Parker county. Our program is designed for quick results for those adults with Intellectual differences who want meaningful employment and a new level of independence within their own communities.

We hope you enjoy your dining experience and getting to know our participants as they forge their future with our support.

Participants change from week to week, so join us often! Please consider the Each and Everyone Foundation in your charitable giving now or in the future. Many Thanks! Jan Underwood, Director (817) 300-8418 jan@4eeo.org
