Gruene Hall: Dancing Through 147 Years of Texas History

Weekly Roundup!

Your guide to the best country music, partner and line dance, and country venues in Saint Louis and across the U.S.

Featured Venue of the Week

Gruene Hall, New Braunfels, TX

This summer, I finally got to visit Gruene Hall, Texas' oldest and most famous dance hall, which made the trip extra special because it was built in 1878 and is a living piece of Texas history. Stepping inside, you can feel the history and music filled past of this iconic venue, and the experience was more than I could have hoped for.

Why Go?

Gruene Hall is a living piece of Texas history where authentic honky-tonk charm meets warm, communal energy. It's an easy stop for dancers and music lovers who want a genuine, unpretentious afternoon or evening of two-stepping and people-watching.

What to Expect

- Dance styles: Classic two-step and casual partner dancing; room for swing and spontaneous floor play.
- Music: Live local and touring country acts; intimate daytime sound checks feel personal and immediate.
- Dance Floor: Original weathered wooden plank floor with picnic-style tables up front and a modest stage; great for smooth turns and traditional steps.

-
- Crowd Vibe: Mixed crowd of locals and tourists, families picnicking, cornhole groups, and friendly regulars—relaxed and social.

My favorite moment

Catching the band's sound check and slipping into a few two-steps on that storied floor felt like stepping into a time capsule while a cool breeze through the open windows, giant fans humming, and the music warming the room. Recording a short clip of our two-stepping made the afternoon a lasting memory I keep pulling out of my visual diary.

Insider tips

- Visit during the day for a relaxed vibe and easier parking; sound checks can turn into surprise dance sessions.
- Bring breathable clothing and cowboy or dance-friendly shoes—the hall stays comfortable with open windows and fans but Texas heat can be fierce outside.
- Snap exterior photos across from Cotton Eyed Joe's and stroll the covered walkway by the Gruene General Store for classic shots.
- Buy a small souvenir at the hall—the cap I picked up is an easy keepsake that captures the visit.
- If you want more action, time a visit for an evening set, but don't discount afternoons for intimate music and dancing.
