**A weekend dance destination where line dancers, two-steppers, and country swing fans all share the floor in Kingdom City, MO.**

This week we visited 54 Country in Kingdom City, MO, and let me tell you—it was a night to remember. From the live band to the massive polished wood dance floor, the energy was contagious. Here is what made it special.

#### **Why Go?**

54 Country has quickly become a regional favorite since opening its brand-new building just over a year and a half ago. What started as a Saturday-only dance hall has grown into a full weekend destination, now open Friday nights with DJ music and Saturday nights with the 54 Country Band. With its welcoming atmosphere, affordable cover, and family-friendly policy, it's a place where dancers of all ages and skill levels come together.

---

## What to Expect

- Dance styles: From line dancing to country swing and two-step, the 2,478 sq ft floor has room for everyone to share the space at once.
- Music: Fridays feature a DJ spinning classic and modern country hits, while Saturdays showcase the live 54 Country Band, keeping the crowd energized all night.
- Dance floor: A polished wood floor large enough for up to 1,500 guests, with an outer traffic line designed for progressive couple's dancing.
- Crowd vibe: Friendly, inclusive, and family-oriented. Dancers of all ages and skill levels are eager to join in, teach, or learn.

## My favorite moment

When the National Anthem played and the entire room paused to honor the flag, it set the tone for the night. Moments later, the floor came alive again—line dancers, two-steppers, and swing partners all moving together in harmony. It was a perfect blend of patriotism, community, and pure fun.

## Insider tips

- Arrive early to grab a table near the floor for your drinks, snacks, and a great view between dances.
- Bring your own beverages and snacks, or enjoy the concession stand's popcorn, candy, and hot dogs.
- Smooth-soled boots or shoes make spins and slides easier on the polished floor.
- If you're new, take advantage of the dance lessons offered—you'll feel more confident and meet fellow dancers right away.
- Plan for both nights: DJ Fridays for variety and live band Saturdays for that classic honky-tonk feel.

## Did You Know?

- The dance floor at 54 Country measures 2,478 sq ft—big enough to hold up to 1,500 dancers at once.
- Every night kicks off with the National Anthem and a salute to the U.S. flag, a tradition that sets a tone of unity and respect.
- With its outer traffic line for progressive couple's dancing, the floor is designed so line dancers, two-steppers, and swing partners can all move together seamlessly.
