Mini Resume / Business Card

A mini resume contains a brief summary of your career highlights and qualifications. The mini resume highlights your accomplishments rather than presenting a full-length account of your work experience, education, and achievements.

A mini resume comes in handy at job fairs or networking events when you're meeting with many people and want to leave them with something more than a business card, but less bulky than a full resume.

Perfect to use to market yourself on Social Media Platforms, eg: Facebook, LinkedIn, Twitter, WhatsApp, Jobs World Wide ect.

Mini Video Resume:

The video is a really good way to market yourself to a potential employer / recruiter. Here you can talk about yourself, career highlights, career achievements and accomplishments, what you can offer a new employer ect.

This is perfect to use to Market yourself on all Social Media Platforms eg, Facebook, LinkedIn, YouTube, WhatsApp, Jobs World Wide ect.
