About us...

Hello! We are Faye & Mica, we are cousins who run the company together. Faye started this business in August 2020 after her own wedding was postponed 3 times due to covid. She wanted to create good quality products that were affordable. The Budget Wedding Company was born! The quieter time in 2020 gave Faye the opportunity to add and create lots of items, design a website and get a solid presence on social media. In April 2021 Mica came on board (perfect timing for our first flurry of deliveries!) Things have gone from strength to strength with our online presence growing, we regularly attend wedding fairs and are recommended suppliers for 2 Northamptonshire wedding venues! We have now also won a couple of awards for our work and we are so passionate about our work. We are so excited for 2024 and beyond, we will continue to supply good quality affordable items and always provide a seamless service within budget!

A few things about us...

Faye is now married to Tom (finally!) they were married in September 2021 at Crockwell Farm. Faye has always been creative and loved making things, this really is the perfect job for her and she couldn't do it without Mica! She and Tom live in Northampton with their baby boy Ronnie & dog Frank!

Mica lives in Kettering with her Husband Ben, they have been married for 6 years and have 4 children and 2 dogs. Mica also had the idea of starting a balloon company around the same time she came on board with The Budget Wedding Company and her and Faye are also the proud co-owners of DecEvents.

Terms & Conditions...

- Placing an order with us verbally, by phone, Internet or any other method of communication constitutes you having read, understood and agree to our terms and conditions.
- Please read this our terms and conditions carefully. Upon entering into this agreement, you the hirer, agreed to be bound by the terms within.
- These are the only terms and conditions upon which will form a binding contract with you. No alteration or substitution to these terms and conditions shall be valid unless agreed in writing by The Budget Wedding Company.
- Within these terms and conditions reference to “goods” “order/s” or “item/s” includes ALL stock and their components (tea lights, lanterns, candles etc included) hired by you from us under the contract for hire agreement.
- The period of hire covers 24 hours – we can be flexible on this at our own discretion. We reserve the right to collect hired items after midnight following your event as products may/could be needed for re-hire and will be required for quick ‘turn-around’ cleaning and prompt dispatch – under these circumstances this collection time is non-negotiable. We reserve the right to collect at this time without prior discussion. Flowers in containers will be removed and left at the venue. Any floral decorations which are strapped or taped to products may not be removed as often this can be difficult without destroying the arrangement.

ORDERS

- We reserve the right to substitute an item for a similar alternative design i.e. if there are breakages, delayed returns, lost items have occurred as a result of a previous customer order. Any necessary substitutions will be communicated prior to your order being dispatched.

Terms & Conditions...

PAYMENTS

- All goods hired will require a 50% non-refundable deposit at the time of the booking to secure the order. If the required delivery date is within 6 months of placing your order, full payment will be required.
- The balance of the complete cost of the hire (inclusive of the delivery, set up and collection charge) is due for payment 2 weeks prior to the goods being dispatched. The preferred method of payment is by bank transfer.
- Invoices are to be settled within 24 hours.
- Any invoices under £250 will be payable in full and do not qualify for the 50% deposit.
- If the balance payment is not received we reserve the right to withdraw our acceptance of your order. No delivery will be made without receipt of the balance.
- If you wish to arrange an extended hire, hold your hired goods for longer than the contracted period, please contact us in advance to check availability of the products and also the costs for the extended hire.
- No refunds or credits will be issued for any items that are returned unused.

DAMAGE DEPOSIT

- A damage deposit may also be requested in addition to the final balance 2 weeks prior to the dispatch of the goods. The sum of money is dependant upon the value of the goods being supplied and is held as a deposit against the safe and prompt return of the goods under hire. (For example if the light up love letters are to be moved).
- In the event of damaged items the security deposit will not be refunded as replacements will need to be purchased by us.
- Substitute items will not be accepted and all damaged items remain the property of The Budget Wedding Company and should therefore be returned.
