About Me...

Hello!

I'm Faye, owner of The Budget Wedding Company. I am married to Tom, we have been together since 2013 and married since 2021. We were meant to be married in June 2020 but the world had other ideas! We got our gorgeous little Frank in December 2020 and welcomed our baby boy in March 2024. We live in Northampton and have not long purchased our forever home which we are renovating!

I first had the idea to hire items out when I was planning our own wedding, I couldn't really find what I had in mind that fitted with our budget, I have always been quite creative so made a lot of stuff myself and my first big purchase was the love letters! Tom asked what will I do with all this stuff after the wedding... I replied rent it out! Now, here I am over 5 years later!

- If you wish to go ahead we will ask for your full name, email address & mobile number and will email an invoice over within 24 hours.
- Invoices are to be settled within 24 hours of receipt unless agreed otherwise. Dates are not secure until deposits are paid.
- Payments can be made either online using a credit/debit card or by bank transfer.
- Once payments have been received you will be booked in our diary & another invoice will be sent 4 weeks before the wedding for the remaining 50%.
- 50% deposits do not apply if your order is under £300. Payments will be required in full if your quote/invoice is under this.
- Minimum spend £300.
- if your wedding is within 6 months of booking, full payment is required up front.

Terms & Conditions...

- Placing an order with us verbally, by phone, Internet or any other method of communication constitutes you having read, understood and agree to our terms and conditions.
- Please read this our terms and conditions carefully. Upon entering into this agreement, you the hirer, agreed to be bound by the terms within.
- These are the only terms and conditions upon which will form a binding contract with you. No alteration or substitution to these terms and conditions shall be valid unless agreed in writing by The Budget Wedding Company.
- Within these terms and conditions reference to “goods” “order/s” or “item/s” includes ALL stock and their components (tea lights, lanterns, candles etc included) hired by you from us under the contract for hire agreement.
- The period of hire covers 24 hours – we can be flexible on this at our own discretion. We reserve the right to collect hired items after midnight following your event as products may/could be needed for re-hire and will be required for quick ‘turn-around’ cleaning and prompt dispatch – under these circumstances this collection time is non-negotiable. We reserve the right to collect at this time without prior discussion. Flowers in containers will be removed and left at the venue. Any personal items that have been used with our items will be taken off and left at the venue.

ORDERS

- We reserve the right to substitute an item for a similar alternative design i.e. if there are breakages, delayed returns, lost items have occurred as a result of a previous customer order. Any necessary substitutions will be communicated prior to your order being dispatched.

Terms & Conditions...

PAYMENTS

- All goods hired will require a 50% non-refundable deposit at the time of the booking to secure the order. If the required delivery date is within 6 months of placing your order, full payment will be required.
- The balance of the complete cost of the hire (inclusive of the delivery, set up and collection charge) is due for payment 4 weeks prior to the goods being dispatched. The preferred method of payment is by bank transfer.
- Invoices are to be settled within 24 hours.
- Any invoices under £300 will be payable in full and do not qualify for the 50% deposit.

- No refunds or credits will be issued for any items that are returned unused.

DAMAGE DEPOSIT

- A damage deposit may also be requested in addition to the final balance 4 weeks prior to the dispatch of the goods. The sum of money is dependant upon the value of the goods being supplied and is held as a deposit against the safe and prompt return of the goods under hire.
(For example if the light up love letters are to be moved).
- In the event of damaged items the security deposit will not be refunded as replacements will need to be purchased by us.
- Substitute items will not be accepted and all damaged items remain the property of The Budget Wedding Company and should therefore be returned.
