

CONSTELLATION CLINTON POWER STATION SCHOLARSHIP

Constellation has partnered with CUSD#15 to launch the Constellation Clinton Clean Energy STEM Scholarship Program, which provides students scholarship assistance, opportunities for internships and early career readiness support to help prepare them for rewarding careers within the energy industry. The scholarship recipient will also have an opportunity to participate in an internship at Constellation's Clinton Power Station.

The Constellation Clinton Power Station Clean Energy STEM Scholarship will be awarded to a graduate of Clinton High School who has been accepted or is currently enrolled full-time in vocational program or, an undergraduate program at an accredited junior college or accredited four-year college/university. The amount of the scholarship will be:

\$2,500 scholarship for one (1) high school student in underserved or under-represented communities in Illinois for student enrolling in a STEM program (Science, Technology, Engineering or Mathematics) at an accredited college or university.

\$500 for vocational programming supporting STEM activities that provide skills to prepare students for work in the nuclear industry.

The scholarship recipient will be the person who is deemed most qualified by the scholarship committee. Selection will be made from information provided on the application forms, an official transcript, an essay, and recommendations.

Each applicant must meet the following requirements:

1. be enrolled as a full-time undergraduate student during the 2023-2024 school year.
2. have achieved and must maintain grade point average of 3.00 based on a 4.00 scale
3. submit all portions of the attached application, including a 500-word essay
4. request and submit an official recent high school or college transcript
5. Request and submit two (2) letters of recommendation, only one of which may be provided by a current or recent teacher or school employee, and **one provided by a contact outside of the school district. Do not use relatives or CCEF board members.**

CONSTELLATION CLINTON POWER STATION SCHOLARSHIP

Submit the completed application packet in a sealed manila envelope with your name and scholarship name to the Clinton Community Educational Foundation, care of the Clinton High School Guidance Department, or mail directly to CCEF, P.O. Box 395, Clinton, IL 61727 by Tuesday March 31, 2026.

It is the responsibility of the applicant to verify enrollment in a college/university by submitting a class schedule or other documentation to the scholarship committee by August 1 of the year the scholarship is awarded. Scholarship payments will be made directly to the college/university at the beginning of the school year. The recipient must provide the proper address and account information necessary to facilitate these
