RAISING MONEY FOR
Dave & Dawn Reid
Stronger Together

On September 7th Dawn was involved in a very serious car accident on Hwy 185. She was taken to the hospital and had to go through surgery to repair her back that was broke in two places. She also had rods placed in her back as well.

While she recovers, she is not very mobile and cannot drive. At the same time, she is caring for two young girls and has a long road of recovery ahead of her.

Our community will show its support.
