

Culvert Permit Form

Date of application: _____

Property Owner: _____

Lot-Block-Section: _____

Street Name: _____

Type of Lot: _____

Variance Needed: _____

Do you have an existing Culvert pipe? (Circle) YES No

If Yes, why is there a need for a new one? _____

- What length is the existing pipe? _____
- Nothing over 40'
- 12" diameter pipes cannot be 40' long as they are too small of a flow.
- Lot-Block-Section **MUST** be marked on lot.
- Mark desired placement for Culvert with marking flags and/or ribbon
- Please notify the office when the job is completed.

Installer Name: _____ Phone# _____

Metal or solid wall plastic pipe (with a smooth bore only) is acceptable. Property Owners are responsible for keeping their culverts open and water flowing. **Pipes which are not maintained open or which are not the correct size may be removed by trusteeship employees and placed on the owners lot.**

By signing, I agree to give a Woodland Lakes representative permission to enter the property location for the purpose of inspections.

Signature of Owner: _____

Maintenance Signature: _____ Minimum Size: _____

Final Inspection: _____ Date: _____

This permit may be revoked should the terms and conditions of this issuance not be fulfilled. Revocation will require removal of permitted item.
