Email: _____ **Phone #** _____
Preferred method of communication: email ___ **or phone** ___

Electric Service _____ Amp Service
Trench work to be done by: _____
Crossing Roadway: Yes or No
If yes, date trench work to be done: _____
What road are you trenching across? _____
(See specification sheet) Crawford Electric Cooperative is now handling all Woodland Lakes Electric Installations to their Specifications. Notification to the Trusteeship office is required at least 3 days prior to trenching across any roadway in the subdivision. <i>It is your sole responsibility to properly mark and close the section of road that you are trenching across.</i>
<u>WHEN CROSSING THE ROAD; TRENCH MUST BE FILLED IN WITH 1" CLEAN GRAVEL. FAILURE TO DO SO WILL RESULT IN DISCIPLINARY ACTIONS.</u>

This permit may be revoked should the terms and conditions of its issuance not be fulfilled. Revocation will require removal of permitted item.

By signing, I agree to give a Woodland Lakes representative permission to enter the property location for the purposes of inspections.
