

Privacy Statement and Consent to Use Data

US Residents. Personal information you submit online such as your name, postal address, email, and telephone number may be used to improve your experience using our website, compile statistics, analyze trends or to offer additional information services. This information may be collected by the use of cookies through third party organizations such as Google (e.g. Google Analytics). More information on Google Analytics can be found here: www.google.com/policies/privacy/partners/. Your personal data will be stored for as long as it is needed to provide you with requested services and/or access to our website. Additionally, we will store your personal data to respond to your queries and concerns.

TW Consulting and Associates, LLC does not knowingly provide services to children (minors younger than 13) on our website. Unless we specifically request or invite it, we ask that you not send us, and you not disclose, any sensitive personal information (e.g., Social Security numbers, information related to racial or ethnic origin, political opinions, religion or philosophical beliefs, health, sex life or sexual orientation, criminal background, or trade union membership, or biometric or genetic data for the purpose of uniquely identifying an individual) on or through the Service or otherwise to us.

EU Residents. You have a right to request information on how TW Consulting and Associates, LLC makes use of your personal data in accordance with the EU General Data Protection Regulation or GDPR.

If you have questions about the use, amendment, or deletion of personal information that you have provided to us, or if you would like to opt out of future communications, please contact us by clicking on the "Contact Us" link. Alternatively, you may send a letter to the following address:

TW Consulting and Associates, LLC
5605 North MacArthur Boulevard
Suite 1000
Irving, TX 75038

TW Consulting and Associates, LLC reserves the right to amend this Privacy Policy without prior notice to reflect technological advancements, legal and regulatory changes and good business practices. Should changes occur, the effective date of the revision will be set forth in this paragraph.

Revision Date: March 16, 2019
