

BLACKVILLE COMMUNITY NEWSLETTER

January 2022 – Issue 171

**Greetings Citizens of
Blackville!**

I hope this message finds you well as the year 2021 comes to a close. Reflecting on 2021, it was a year of loss. Covid still continues to cause concerns in our everyday lives and many challenges for our families. Our Council hopes that each of you are taking the necessary precautions to protect your families. Our community is resilient when it comes to supporting our neighbors during challenging times.

I express my appreciation to all town employees for your dedication, commitment, and service to our community. The outstanding work you perform every day meeting the needs of our citizens enhances our quality of life and exemplifies what “working together for a better community” is all about.

In the spirit of the season, I commend all the citizens and employees who have made a special effort to give back to the community. Also, with our countless community volunteer initiatives, many of you are spreading goodwill throughout our community with open and generous hearts.

We would like to welcome several folks to our staff. First, police chief, Mr. Crawford. He brings many experiences that will benefit the safety of our community. We would also like to welcome our new council member, Mr.

Enterick Lee, to our council. Mr. Lee will bring exciting new ideas and commitment to our community.

As we welcome 2022, let us be thankful for the opportunity that we have in making Blackville a place of love, unity, and prosperity. Our council will be working to develop and achieve many goals in 2022. We have much to do, but I am excited for our town and the opportunities that are forthcoming.

We ask each member to be active in our community. We have great folks and can achieve all things when we work together. We wish you a Happy New Year! And remember “Commitment creates success”
