BLACKVILLE COMMUNITY GARDEN

“There are never gardening mistakes, only experiments.” ~ Unknown

Since November of 2021 we have been diligently working to establish a garden in our community to provide our neighbors a way to put fresh vegetables on your tables, and to encourage healthy eating for a healthier lifestyle.

I cannot say who had the most fun getting our garden organized, Mr. Steve Jowers or myself. I must admit that we had an amazing time working to make this a reality and to complete this project. It has been a fun, exciting, and educational adventure.

In addition to the community garden, we are making plans to provide training to you that will enable you to do miniature gardening at home.

We are asking you to please be patient with us as we continue this project. And be respectful of the garden and your neighbors.

Squash, cucumbers, radishes, and peppers are ready. **VTA**

JUNETEENTH – June 19, 2022

Juneteenth, also known as “Emancipation Day” or the “Day of Freedom,” is both the somber and celebratory day to commemorate the Thirteenth Amendment abolishing slavery. President Biden signed the Juneteenth National Independence Day Act in 2021, making it an official federal holiday.
