“BURNING” WITHIN TOWN LIMITS

It is unlawful to burn anything other than vegetation that has been grown on the owner’s property. Citizens are not allowed to burn garbage, trash, building material, or anything brought onto the property from another property. For someone to conduct a burn within the corporate limits they must come to the Town Hall prior to 2:00pm and obtain a burn permit. A burn permit will not be issued if the state is under a Red Flag warning or when the Fire Chief or the Assistant Fire Chief fill that the conditions are not right for burning, i.e. high winds. Citizens need to also be aware that per South Carolina law they must remain with the fire at all times, and have a water hose or other fire extinguishing equipment, while it is ignited and have the fire located more than fifty (50) feet from any structure unless it is in an approved waste burner.

“ALWAYS”

Contact Town Hall before burning to get a permit.
