CELL PHONE ETIQUETTE

Etiquette is a code of behavior based on treating others with honesty, respect, and consideration. This finds its way into every interaction we have, from planning a party or calculating a tip to writing a thank-you note or taking a "CELL PHONE" call in public (or not!).

1. Be in control of your phone, don't let it control you!
2. Speak softly.
3. Be courteous to those you are with; turn off your phone if it will be interrupting a conversation or activity.
4. Watch your language, especially when others can overhear you.
5. Avoid talking about personal or confidential topics in a public place.
6. If it must be on and it could bother others, use the "silent" mode and move away to talk.
7. Don't make calls in a library, theater, church, or from your table in a restaurant.
8. Don't text during class or a meeting at your job.
9. Private info can be forwarded, so don't text it.
10. Never drive and use your phone at the same time.

3.301. LIVESTOCK. PROHIBITED.
 No livestock shall be kept within the corporate limits without specific approval of the Mayor and Council. No approval shall be granted or continued if such keeping shall constitute a menace to health or welfare of the public.
 Livestock includes: Poultry (i.e. chickens, turkeys, geese, peacocks, quail, etc.), cows, lambs, pigs and hogs. Questions call 803 300-6719 or 803 284-3444 ext. 264
