

November 2020 – Issue 157

WELCOME!!

**PINE VIEW BUILDING MANUFACTURERS
MANAGEMENT TEAM**

We are excited and proud that you have chosen this site to invest \$4.1 million and create 55 jobs.

In addition to providing jobs, you are also providing a sense of ownership, a sense of pride, and an improvement in the lifestyle of our citizens.

The Blackville Downtown Development Association, our local government, local organizations, and town leaders will support you 100% in your endeavors.

We note that you are very versatile in your offerings. You not only manufacture outdoor storage houses but also CHICKEN COOPS, PLAYHOUSES and GAZEBOS. Your motto is to place product quality and customer satisfaction above all else.

You envisioned that every customer, every employee you encounter matters, and should be treated with dignity. You also envisioned operating a storage building company that had a strong sense of Godly principles and ethics in its relations to its employees and its customers. Your attitude that nothing is impossible has come to fruition.

Because of you, Blackville will make progress. You will not only have an impact on the workforce, but also on our schools, our churches, our businesses, our communities, but most of all, on our morale.

When people are gainfully employed, they tend to be happier, more generous, and more willing to get involved in community activities, as well as make a positive impact on the local economy.

Again, on behalf of the Blackville Downtown Development Association, we welcome PINE VIEW BUILDING MANUFACTURERS MANAGEMENT TEAM to Blackville, SC. We hope you will enjoy our town and that the friendships made here may grow and deepen.

Gwendolyn F. Littlejohn, President,
Blackville Downtown Development Association
