### Blackville Residents - FYI

The Condemnation and Demolition Committee has been established and is fully manned at this time. The purpose of this committee is to ensure all laws, ordinances, postings, and notifications have been set in place and all steps and procedures have been met to demolish property within the Town limits of Blackville.

The committee's primary concern is for the safety and security of the citizens and guests of Blackville.

A secondary concern for the committee is the appearance of Blackville. We are attempting to draw business and industry to the area. The better we look, the better the chances of more jobs and income coming to our Great Town.

If anyone has any questions, comments, or concerns please feel free to call Pfc. J. Tubbs 803 284-3444 ext. 264 or 803 300-6719
