FAMILY RESOURCES TO SUPPORT YOUR CHILD'S SUCCESS

Here are a few ideas on where to find resources for a successful start to the new school year!

Technology

Does your child need a computer or Internet access? Call Connecting for Good or PCs for People for assistance at 816-293-9966

Free Online Tutors!

Get free live homework help from Tutor.com, which offers students access to live, online tutors who can help both English and Spanish-speaking students in grades K-12 with many subjects.

Tutors are available every day from noon to midnight.

This tutoring service is free through the Mid-Continent Public Library - mymcpl.org/homework

Immunizations

To enroll your children in school, you'll need to make sure their immunizations are up-to-date. Call your local health department to make an appointment or for walk-in hours.
