

## Signature Formula

## SOLO

*A Piacere**Sanctus*

## Description

- Developed for the most demanding musicians
- Richer, fuller and round tone
- Beautiful shimmery textured sound in soft passages

- Maximum projection and powerful grip
- Strong sound and crisp articulation
- High clarity in tonal response

- Relatively more blending and less piercing sound
- Warmer tone with smooth contact
- Preferred by orchestra and chamber musicians

- Two distinctive formulas mixed together during application
- Smooth bowing under low pressure
- Powerful and gutsy tone under high bow pressure
