Separate consent for limited eligibility verification with HUM Rideshare.

Driver information

Driver full legal name

HUM Rideshare driver ID

HUM-registered email

HUM-registered phone

Vehicle year / make / model

License plate and state

Limited authorization

I authorize Pathfinder Private Rides LLC, doing business as HUM Private Transportation, to contact HUM Rideshare and provide the driver and vehicle identifiers listed above solely to verify eligibility for company trips.

I authorize HUM Rideshare, subject to its own policies and applicable law, to provide Pathfinder Private Rides LLC limited confirmation of my driver account status and good standing, current app access and trip activation, approval of the identified vehicle, status of any applicable Ride Assurance for company trips, and whether required program fees are current or affect eligibility. This authorization may be used at onboarding, once per calendar month while I participate, and when a documented safety or eligibility concern arises.

This consent does not authorize either company to request or use my password or security codes, access passenger records, review unrelated personal or financial information, or monitor my location outside an assigned company trip. No payment balances or transaction details are requested. HUM Rideshare may require its own consent and is not required to disclose information merely because I sign this form.

I may withdraw this authorization in writing. If Pathfinder can no longer verify a status that is required for company trips, trip assignments may be paused while eligibility is clarified, consistent with the Driver Services Agreement and applicable law. This form does not change compensation or other agreement terms.

☐ I authorize the limited status verification described above.
