### FINDING YOUR PASSION

Wherever you find your passion,  
there also you will find your leading.  
Listen to your own flow  
and go with it!

Watercolor pencil & ink, 2008

### BANDIT

Trust Me.  
When all else fails,  
follow your nose!

Watercolor pencil & ink, 2008

### UPON RISING

At the Root of All Things exists a Safe Container.  
Once acknowledged,  
It provides courage to open wide to Life  
and wisdom to see that only Love prevails  
because Love is all there is.  
At the sound of the Beloved's Call,  
so begins the Dance  
where jewels of Authenticity  
bring us Home at day's end  
in harmony with All That Is.

Watercolor pencil & ink, 2008

### CONTAINED BY LOVE

Resting in the Loving Arms of the Divine,  
my soul is restored  
in the red glow of Stillness.  
As wordless joy bubbles up and spills over,  
I move with purpose into the world  
knowing that All is surely Well.

### AND LO, I AM WITH YOU ALWAYS

Remember,  
 that whether you are at home or not,  
 whether you feel Me or not,  
 I AM always with you.  
 I never tire of your company.  
 I AM never too weak to carry you,  
 but I do so sparingly so that your own strength can grow.  
 You are My Child,  
 in whom I find great delight.

Watercolor pencil & ink, 2008

### ALL IS WELL

Come walk with Me today.  
 Bask in My Love.  
 Protect your tender heart  
 from all that feels unloving.  
 Be gentle today—  
 with yourself.  
 Do what you have energy for,  
 but force nothing.

Watercolor pencil & ink, 2008

### THE LORD IS MY SHEPHERD

STOP!  
 Stop wrestling.  
 Just stop.  
 Let go.  
 No concern for the ticking of the clock.  
 You have all the time you need  
 to become all you'd like to be.  
 For now, be here with Me.

Watercolor pencil & ink, 2008

### IF YOU WANT TO BE HELD

You are not alone.  
 You are loved.  
 You give much to others.  
 Open your heart wide,  
 and let them give to you.  
 Give what you have to give from your heart.  
 Leave the rest to Me.

Watercolor pencil & ink, 2008

### I AM THE ONE

2008

It's not all up to you.  
 Let Me love you.  
 Let My Love in.  
 Trust Me to provide your needs.  
 All is surely well.

Watercolor pencil & ink, 2008

### REMEMBER WHO YOU ARE, MY BELOVED

I enjoy BEING with you.  
 I love for you to turn to Me and see Me  
 and receive My Love.  
 I have so much to give you.  
 You don't have to figure out anything.  
 When you are ready, the how-to's will show up.  
 For now, just look deep into My Eyes,  
 and when you see the love I hold for you,  
 you will remember that all is surely well.  
 For so it is.

Gouache & ink, 2008

### MISTAKEN IDENTITY

I am open to letting  
 my oldest beliefs about myself change.  
 It doesn't have to be hard.  
 It can be like a new dawning,  
 like a popcorn kernel ready to pop.  
 Even in childbirth, the baby doesn't crawl out  
 but is born by the forces of Life surrounding it.

Gouache & ink, 2008

### REMEMBER WHO YOU ARE

Listen My Beloved.  
 Listen in the Silence.  
 As you become more quiet,  
 so much clearer becomes your knowing.  
 I have so much more for you than you can imagine.  
 Sit still and let Me tell you My dreams for you.  
 I long to share their reality with you.  
 Only be still,  
 and you will know.

Gouache & ink, 2008

### CHOOSING LIFE

2008

I choose my path to Life:  
arm in arm  
with eyes wide open.

Gouache & ink, 2008

### GRACE

Don't wait for an excuse  
to be generous  
with yourself  
and with others.

Gouache & ink, 2008

### I AM THAT

Whatever your greatest inklings of desire,  
I have for you so much more. Trust Me,  
and you will not be disappointed.  
Expect greatness,  
grandness,  
something new.  
Let Me surprise you with the impossible!

Gouache & ink, 2008

### WHOA, NELLIE!

Find what fills you up today  
and bask in it.  
Only stop here awhile with Me first.  
Stop here in the place that is full, abundant, prosperous,  
generous, and light.  
Stop here awhile,  
and only then choose your day  
from the quiet place.  
Answers will come when you need them.

Gouache & ink, 2008

**FOREVER ALWAYS**

Give people your truth.  
Held in, it becomes baggage.  
Let it go, it frees you and  
everyone else.  
Say what you need to say.  
Give what you have to give.  
Let all be done in Love.

Gouache & ink, 2008

**FOREVER ALWAYS-Psalm 16**

I have set the Lord continually before me. Be-  
cause He is at my right hand,  
I will not be shaken.  
Thou wilt make known to me the path of life. In  
Thy Presence is fullness of joy.  
In Thy Right Hand there are pleasures forever.

Gouache & ink, 2008

**CURIOUS**

Dare to be curious  
for the fullness of life and love  
in all its expressions!

Gouache & ink, 2008

**TROUBLE**

My Garden is full of color and variety.  
Each season brings new flowers  
appropriate for its time.  
Trust Me with the colors, the timing,  
the growth.  
Only take time to notice what shows up.  
Savor it, and open yourself  
to the next blossom yet to be revealed.  
Take time to receive these truths  
into your heart,  
and you will feel their transformative power  
at work in you.

Gouache, watercolor pencil & ink, 2008

**COME ALONGSIDE**

Together we are called  
to move mountains,  
not by might  
but by collective focus  
and intention.  
In this way  
our light is so intensified  
as to be the lighthouse  
in the darkest storm,  
even to ourselves.

Watercolor pencil & ink, 2008

## FEARLESS FOR LOVE

Be present with each moment.  
You ARE on your path.  
All is well.

As you continue to know and verbalize your truth,  
and as you continue to allow your underbelly to be  
exposed to safe and loving hearts,  
you will hear My Word behind you, and  
you will step even further on your path.  
I have not called you this far to leave you.

There's more.  
So much more.  
Practice no attachments.  
Take in; release.  
Inhale; exhale.  
Hold tight; let go.  
Know clearly; welcome the mystery.  
There is no arrival point on this journey.  
Listen carefully at each moment.  
Joy is all around you.

## OPENING

Broken.  
Broken open.  
Broken open by Love.  
Broken open to love.  
Broken open to be loved.  
Broken open to life.  
Broken open.  
Open.

Acrylic, 2008

## RISING

Truly, you were meant to fly.  
You learn to fly in the free-fall.  
But I Am still your Safety Net.  
So, in the air, feel the wind rushing past you,  
the unrestrictedness of your body off the ground.  
Play in the air.  
And if you are aware,  
you will know that the air surrounding you  
is surely My Breath  
as a Hovering Kiss.  
I take total delight in you, My Beloved.

**GETTING READY**

Get ready for the ride of your life.  
 Surely it comes just as naturally as the incoming  
 tides. My Love for you is uncontainable.  
 My Heart aches for you to know Me. Receive My  
 Love; wallow in it; laugh in it; let it free you to be  
 the incredible, bright light that you are.  
 The world needs what you have to give.  
 No time to waste.  
 Let Me love you.  
 I have SO much to pour onto you, into you.  
 You can do all things.  
 ALL THINGS.  
 I know your heart.  
 Your prayers have not gone unnoticed.  
 Get ready for the ride of your life.  
 This IS the ride of your life.  
 All things, love, all things.

Acrylic, 2008

**KEEP MOVING**

Keep moving.  
 Follow the path of least resistance.  
 One step at a time.  
 You can't get it wrong.  
 Love is in the air.  
 It IS the air you breathe.  
 Breathe in love.  
 Breathe in life.  
 All of it.  
 Inhale the essence of your own spirit.  
 You already ARE whole.  
 You really ARE loved.  
 More than you could ever hope for or dream of  
 is just around the corner.  
 Your only task is to get ready.

Acrylic, 2008

**IN EACH MOMENT**

Show up in each moment  
 with as much love and kindness as you  
 can muster.  
 Look for love and you will find it.  
 Listen for love and you will hear it.  
 Let every pore, every cell  
 open itself to love and be loved.  
 You are doing this even now.  
 It may feel to you like you're living in  
 slow motion,  
 but this is perfect timing.  
 Let Me love you.  
 Let all of Me love all of you.

Acrylic, 2008

**OFTEN, ALWAYS**

Come to Me often and always.  
 Feel My Arms surrounding you.  
 I who brought you here will never forsake you.  
 Rest. Breathe.  
 Feel the reassurance of MY embrace,  
 the presence of My Breath,  
 the joy in My Eyes,  
 the delight I take in fully recognizing you.  
 Hear the steady beat of My Heart  
 as you nestle against Me.  
 As you breathe in love,  
 you will KNOW that all is well.

Acrylic, 2008

**WAITING IN THE WINGS**

2008

Waiting in the Quiet  
is an art like dancing.  
Just let your body respond  
to the Music Within,  
to the question:  
"What would love do now?"  
All is happening  
in perfect time.

Acrylic, 2008

**WITH LOVE**

I love you, Sweetheart. I cherish you. You are My baby girl. I celebrate who you are and all you bring to Me and to this world. There is no one in the world like you: so strong, so gentle, so creative, so powerful, so vulnerable. Feel My loving embrace, My bosomy hug. Let Me hold you close and kiss your face. Now, let Me look at you. Yes, you ARE beautiful. As I look into your eyes, I see all the way to your soul and recognize the familiarity that meets My eyes. I see you. I love you. I honor you. I recognize you. I appreciate you. I celebrate you. Even in this, I AM with you always.

Acrylic, 2008

**COME, LIFE!**

Come, Life, and take me.  
Come, Life, and use me.  
Let me awaken  
to what is in this experience  
and discover who I really am.

Acrylic, 2008

**SPRING RAIN**

Though this ground has long been fallow,  
still the rains fall gently on my heart,  
misting the cracked earth,  
covering it with sweet kisses,  
softening its crust,  
making it possible for new seedlings to emerge.  
Tiny sweet greenness appears,  
reaching bravely heavenward,  
knowing nothing more than the desire  
to experience more life,  
the resurrection of a life yet to be lived.

Acrylic, 2008

**DAWNING**

No matter how dark the night,  
the dawn inevitably appears  
and brings with it new colors,  
new life, new ways of being  
until at last the white light of the Divine  
dissolves all mysteries, all questions, all needs  
simply with Its Loving Presence.  
Surely, Love is always closer than our next breath,  
ever watchful and waiting for us with deepest compassion.

Acrylic, 2008

**YES TO LIFE**

I am open to learn what I need to learn,  
hear what I need to hear,  
see what I need to see,  
love how You would have me love.  
I embrace clear boundaries  
and release all obstacles to a full, loving,  
healthy, balanced life.

Acrylic, 2008

**GRACE IN STILLNESS**

In the tiniest of tinies  
there lives a heart  
full of grace and stillness,  
full of knowing and wonder.  
Open to All That Is,  
celebrating each moment:  
purposeful without agenda  
fiercely tender  
extravagantly simple.

Acrylic, 2008

**READY, SET, GO**

What would you like?  
You get to choose.  
Don't quit.  
Don't stop looking.  
Keep exploring.  
You're on the tip of an iceberg.  
Dare to adventure further with Me,  
and you will not be disappointed.  
I long to pour out ALL the treasures  
of Heaven before you.

Acrylic, 2008

**LOVE IN HAND**

Your beloved is your butterfly,  
 as you are his.  
 Keep your hand open.  
 Let her light where she will.  
 Wear your bright colors of passion,  
 adventure, and clarity.  
 See where he lights.  
 Remember that whatever is right for one of you  
**is ultimately right for both of you.**  
 Acrylic, 2008

**WELCOME, BELOVED**

Reveal to me my worth  
 in Your Eyes, dear God.  
 Grant me the courage to embrace  
 all that I am in You  
 and all that You are in me.

Acrylic, 2008

**LIVING WITH LOVE**

Beyond thinking to listening  
 Beyond imagining to seeing  
 Beyond questioning to being  
 Beyond wanting to knowing  
 Beyond hurting to healing  
 Beyond healing to wholeness  
 Beyond learning to living with love.

Acrylic, 2008

**WELCOME HERE**

The strength each of you has found within offers  
 safety to be vulnerable with each other. The collective  
 strength can bear any pain. It's OK to feel, to go for-  
 ward, to acknowledge the dark sides and to know that  
 you neither need to analyze, fix, or shoo them away.  
 Let them be. Sit with them in a loving space, and  
 watch My Light creep in like the sunrise.  
 All is surely well.  
 I love you, My Dear One.
