

This is an exercise to give some food-for-thought.

I ask you a question. Now that you are an adult and have a big decision to make, would you go to a twelve-year-old for advice?

Generally, the answer is “No!” You would want to get advice from another adult.

These two pictures are different than we have in mind. We recognize the serpent talking to Eve.

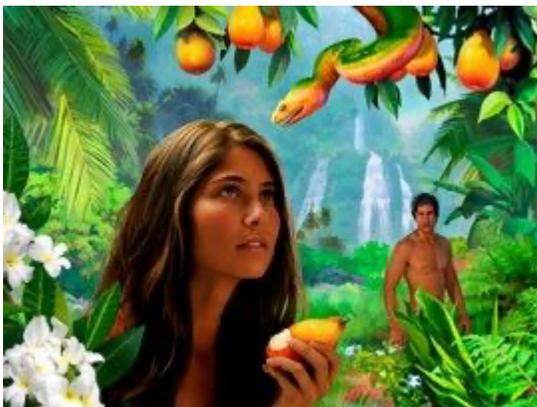

The other must be from someone trying to create confusion.

### GENESIS 3 THE FALL & PICTURES

In Genesis 1 & 2, we see the providence God made for the first couple made in His own likeness. Despite God’s favor and fellowship, Eve and Adam ignored God’s law. Their eating of the forbidden fruit was done with selfish intent. See the Bible,

Genesis 3. Now the serpent was more crafty than any beast of the field which the Lord God had made.

The following picture is a picture we are all familiar with regarding this event. We see a picture of a snake in the tree, he is having a conversation with Eve.

Does it strike you as peculiar that she would talk to an animal? Yet, we pass off the “Mythology” of the time “Gods lived among men” as it was just ignorant people. Today we know better.

Reading the Bible, we must go beyond the Logos (the words) that are written, so that we may receive the Rhema (the application of the Logos), from God's Holy Spirit.

When I first saw this picture, I was troubled. I know that there are people who believe that reptile people were originally on the earth.

We know that the Lord, from the start, charged Adam and Eve with ruling] over the animals. [Genesis 1:28. In their pre-fall condition, they would have been able to talk with the animals. During that time Eve was not surprised a serpent would talk to her.

However, she surrendered her authority of controlling the animals. She now took advice from a beast.

After the fall they realized they were naked. They tried to fashion garments. Had they been wearing some kind of garment? We see in Revelation 7:9 the righteous people standing before the throne are clothed in white robes. The possibility of them, Adam, and Eve, being righteous, they may have worn the white robe of righteousness.

When they sinned, they became unrighteous. The spiritual robe became invisible. [Spiritual things are invisible.] Maybe it can only be seen with spiritual sight. Or maybe it was removed.

Nevertheless, they tried to physically make a covering for their sin. But only God can cover our nakedness. God covered them with a physical garment, it was an animal skin.

That animal is a symbol of the Messiah dying to provide the covering for our sins. Here is God, the creator God, demonstrating Himself as being the Redeemer God. That premise is the theme of the Holy Bible.

God at that moment, He was broken hearted. But God, who is omniscient, already knew that unrighteousness would occur.

God is allowing unrighteousness to occur so that we, the repentant Believers, can see and understand God's grace and forgiving heart.

Then God began putting a curse on the parties. Yes, we all live in a cursed earth. Yes, Satan has dominion on earth. With one exception, what we claim as our own domain, is not in Satan's dominion. Do not release your domain to Satan.

Genesis 3:14 God cursed the serpent, "on your belly you will go." It appears the serpent was previously a bipedal beast. After the curse he became limbless. He became a snake.

We have accepted the snake in the tree since we were 12 years old. Based on the Bible story, which picture best depicts the pre-curse serpent. The second photo is probably more accurate. He may have been a bi-pedal reptilian being.

If we accept this picture as more correct, we now see Satan is a Nephilim, a demon in a physical being. A Nephilim is a cross between a physical body and a spirit being. A Nephilim is "strange flesh."

It is interesting that Satan and his minions are shapeshifters. They are depicted as having a bird head. They are known to be giants. They frequently have six digits on their hands and feet. Obviously, Satan can modify DNA.

Many theologians tell us we do not need to concern ourselves with trying to understand Nephilim. After all, they were destroyed in the flood. They are unimportant.

When they are asked, who were the people that were outside Eden. The same people Cain was afraid would kill him. People also ask who was Cain's wife?

There are Theologians that must be preaching the whitespaces in the Bible. They feel compelled to explain the question. It seems they just make up something, to fill in the blank space in the Bible. Some teach it as the unreported children of Adam and Eve. Or as one pastor suggested, they were from Adams first wife. He even knew her name was Lilith. In ancient mythology, Lilith was a demon. A demon we easily recognize as a Nephilim.

But "Wait." Can we let the Bible interpret the Bible? Let the Holy Bible explain the question. And yes, it does. This question demonstrates that the Bible is a Progressive revelation. See Isaiah 28:10 "For He says, Order on order, order on order, Line on line, line on line. A little here, a little there.

So, what does the Bible say? Later in Genesis it reports that,

The Nephilim were on the earth in those days, and “**also afterward,**” Genesis 6:4

It is pretty simple. Cain needed protection from the Nephilim. God understood that truth. God put a mark on Cain that any spirit could easily see.

Cain corrupted the bloodline by marrying a out of the trinitarian bloodline.

These same mistaken theologians tell us that about 2000 years later, there was the flood, in the days of Noah. That cleared out all of the Nephilim. What does the Bible say? It was about 1500 years after the flood, that God delivered the Jews from Egyptian bondage. During the Exodus from Egypt, they approached the promised land. Spies went into the land to see what God had for them. The Jewish spies reported back to the people. It is recorded in,

Numbers 13:33 There also we saw the Nephilim (the sons of Anak are part of the Nephilim); and we became like grasshoppers in our own sight, and so we were in their sight.

Question. Why do Christians work so hard to hide the work of Satan?

In colleges they have courses on world religions. Christians frequently see the mythology of the false gods as wild imaginations. Today, without question, these are Nephilim. These beings were on earth in a time known as, “A time when gods lived among men.” These are depictions of a few of the gods.

These are angels that shapeshift. Mythologies are filled with animals and humans crossbreeding with a demon. These beings are Nephilim.

The message being told then, was that they were from far across the universe. They came to earth to help humanity.

Satan is smart. Now he appeals to a wiser and a far more sophisticated audience.

“Look, up in the sky! It’s a bird, no, it’s a plane, No it’s a UFO!

What is a UFO? It is a craft piloted by an “Ancient Alien” from a distant constellation. There is no need for any God-The-All-Mighty. After all life evolves across the universe.

Now Satan continues the message of “A time when gods lived among mankind.”

Here they are.

They have come to earth to help us catch up to their advanced civilization.

UFOs are just as real as “Big Foot” and the Loch Ness monster. These apparitions have all the characteristics of spirit beings.

One question about Big Foot or Nessie. Has anyone ever seen a child of either? Has anyone ever seen a carcass or a fossil? But lots of people recreate or amuse themselves by chasing ghosts.

UFOs are demons bringing Satan’s message to humanity. They are the enemy in a spiritual battle. A UFOs can appear and immediately disappear. They can do things no physical craft can possibly do. If there are recovered UFOs, Satan has planted evidence he wants us to believe in life elsewhere. It supports his myth of panspermia. There is no need for a God-All-Mighty.

Sadly, many pastors are unwilling, or unable, to prepare their flock for the pending spiritual battle. Without a doubt knowing Jesus is why we have the Holy Bible. The last

revelation to humanity was the book of Revelation. The demonic powers are certainly displayed in Revelation. Do we fail to recognize them in our daily life. We are in a spiritual battle. Can we realistically identify the enemy?

The enemy uses Ancient Alien advocates to bring his message. They say that Enoch rode in a UFO to see beyond earth. The enemy says that Ezekiel saw a wheel in a wheel. They say he was describing a UFO contact.

Yes, there are thousands of people want to hear what Satan wants to tell us about how we can improve with his information. Does that sound like anything Satan told Eve?

Friends, UFO-logy is a rapidly growing religion.

A specific note to Christians who my encounter someone assaulted by Satan.

Dear Christian Friend.

If you encounter anyone who has had contact with a UFO, a black-eyed child, or any other form of Demonic contact. Many times, they are vague about the experience. They need spiritual help. Help them to find a Spirit led Christian who can lead in delivering them from the spiritual bondage, or the spiritual oppression. Sleepless nights, depression, fear, and anxiety are common results.

It is Satanic. It is present. It is Spiritual warfare. Remember,

1 John 4:4 greater is He who is in you  
than he who is in the world.

We are launching a website that will be a sounding board for the issues mentioned in this "Term Paper." There is room for discussion. You are welcome to join in the conversation.
