The measure of where we are today will not be marked by a recession or depression, but it is and end of an era. Make no mistake our old world is gone. Normal will not return and the change happened fast, and is permanent our lives are transformed forever. It's time for new thinking and new ways to solve problems.

Who will fill this void?
Philosophies, Truth Claims, Tech, Science, Powerful
People?
We need the body of Christ to boldly wakeup.**

**Jesus is our model. Luke 4:16-21
There's Help Matthew 28:18-20
Christ, not causes
Healing, not hostility
Relationship, not real estate or things
Innovation, not indignation
Substance, not success
Trust, not technology**

**So what's next?
Have you lost your first love Revelation 2:2-5**

Give your body as a LIVING SACRIFICE GO ALL IN. IS THE WORLD CONFORMING ME OR AM I TRANSFORMING THE WORLD AROUND ME.

God must work deeply in us before He will work significantly through us. Is Christ your first love? Not work, money, cars, or anything else Christ must be first. New wine, new wineskins. Let's be bold with our faith and live as citizens heaven first and second as citizens of America.

We can not succumb to angry engagement or fearful withdrawal. Ephesians 3:20-21

Go to church engage people there, pray for one another, love on each other, let the Holy Spirit flow. Online church is great but you need to be in the building to feel the worship and message. Put it all on the line Jesus first and foremost above all else. Boldly bring Jesus to your world.
