

Recital Packet 2023

Very Important Info

The opportunity to perform in a recital is an exciting, empowering and a confidence building part of the training process. This is where we love to watch our students learn about the theatre, rehearsals and teamwork while they enjoy the opportunity to showcase their skills in a professionally run production. Recitals are a wonderful way for students to showcase the results of their hard work and for family and friends to join in the pride of their achievement. We love giving all students the chance to perform for their family and friends in this supportive and fun environment and encourage even our youngest and newest performers to be involved.

In terms of attendance, it is very important that students do not miss any of their scheduled classes between now and recital time so they can spend their rehearsal time together to perform their routines, feel confident and look amazing.

Please note that unfortunately any families with unpaid dance fees will not be allowed to participate in our recital.

This is without doubt the highlight of our year and we are giddy with excitement to show you how hard our dancers have been working!
