Every Saturday, June through October, the Shoreline Farmers Market (SFM) is the “hub” for our neighborhoods. With over 30,000 market goers in a typical season, it’s the largest weekly event, a vital community resource, and the biggest opportunity for neighborhood businesses to connect with the greater Shoreline community.

The Shoreline Farmers Market Mission: Bring regional farmers, producers, and artisans together with the community. We offer fresh local food in a welcoming space where we support education, inclusion, and small business growth.
