Inclement Weather/Market Closure

The safety of our vendors, staff, and customers is a top priority for the Shoreline Farmers Market. The market is open rain or shine however the market manager retains the right to close the market at any time. Extreme weather conditions such as high wind, hail, heavy snow, or smoke may cause the market to be cancelled or shut down. The Market will notify all vendors via email if this occurs and update social media for our customers.

Following these policies and rules is required for all vendors. The Shoreline Farmers Market retains the right to hold vendors to these standards and will dismiss vendors if necessary.

Rules are subject to the following fines:

- 1st violation will be a verbal warning
- 2nd violation will result in a documented warning and a minimum \$25 fee
- 3rd violation will result in additional fines, suspension, or dismissal from the market
