

CHRISTMAS BABIES

EST. 2021

Looking to make a difference this holiday season? Look no further!

Founded in 2021 by Ashley Capaldi, a dedicated mom, and former Philadelphia Police investigator in the human trafficking unit of the SVU. The mission of Christmas Babies is to fulfill Christmas wish lists for children who have survived unimaginable trauma, including severe abuse and near-fatal assaults. Inspired by Ashley's work in this field, and Partnering with the Philadelphia Police Department and DHS, the organization has helped over 1,100 families across the tri-state area in just 4 short years.

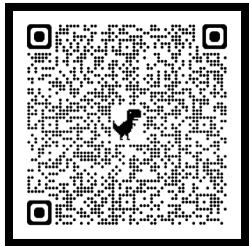

In 2024, the organization launched Christmas Babies Bedding, providing pillows, sheets, and blankets to these families without replacing the personal gifts children wish for.

Now a registered 501(c)(3) nonprofit, Christmas Babies is committed to making every holiday season brighter for children and families in need.

Please join us in spreading joy and making sure every wish list is fulfilled this Christmas!
