

CHRISTMAS BABIES

EST. 2021

Christmas Babies was founded in 2021 by Ashley Capaldi, a devoted mom, & former Philadelphia Police Investigator in the human trafficking unit of the Special Victim's Unit. Inspired by her work with survivors of severe abuse and trauma, Ashley launched the nonprofit to fulfill Christmas wish lists for affected children.

Christmas Babies provides Christmas wishes and essential support for children who have been victims of crime, the foster care system, human trafficking, gun violence, and other community hardships. Our mission is to ensure that every child we serve feels seen, valued, and cared for during the holiday season. Through generous sponsors and donors, we fulfill both needs and wishes—bringing comfort, joy, and hope to children and families in crisis.

This holiday season, you can make a real difference in the life of a child. By becoming a Sponsor, your donation will bring joy, hope, and the magic of Christmas to children who have faced unimaginable circumstances and hardships and trauma.

The children we are helping have endured the impacts of crime, violence, foster care, human trafficking, child sexual abuse, near-fatalities and community circumstances, yet their innocence and hope shine brighter than anything else.

Every contribution, big or small, helps provide gifts, expand our programs, and ensure that no child is left without. With your support, we can make this holiday season unforgettable for every child in need.

We believe every child deserves to feel seen, loved, and celebrated- especially during the holidays.

In 2024, the organization expanded its mission with **Christmas Babies Bedding**, providing essentials like pillows, sheets, and blankets—without replacing the special gifts children wish for.

Christmas Babies is a registered 501(c)(3) non-profit organization. All donations are tax-deductible, and we are happy to provide a letter of tax acknowledgment for your records.

Every gift makes a difference. Help us make sure every child's wish list is fulfilled this Christmas!
