

Our goal is to preserve the health and scenic beauty of Sunset Lake and its surroundings.

Sunset Lake Association
P.O. Box 135
Hampstead, NH 03841

The Sunset Lake Association (SLA) was formed in 1982 to help protect our natural resource, promote waterfront-living education, and work with local agencies who also wish to keep the lake beautiful and healthy for current and future generations. With the support of our members, the SLA monitors the lake for invasive species, performs regular water testing in conjunction with the University of New Hampshire, monitors and maintains the water level through dam adjustments, assists in the annual loon population count, promotes healthy waterfront living and landscaping, and provides educational information about lakeside living, boating, and wildlife. We also hold social events to help unite the Sunset Lake community.

If you are on our mailing list or follow us on Facebook, you may have noticed a renewed energy in our organization in 2020. We have completely revamped our website at www.slahampstead.org and it now includes many improvements including easy to interpret water quality results, Sunset Lake merchandise, and much more information on beach access, boat launching access and rules, waterfront living and landscaping, lake plants and invasive species, and much more. We have also increased our use of Facebook for communication and education. To help continue to build our lake community, we have increased our number of social events. Keep an eye out on our Facebook page www.facebook.com/slahampstead/ and our website for details of multiple morning and evening paddle events, new Light Up the Night virtual fire pit parties, and the return of the annual boat parade.

All who enjoy Sunset Lake are invited and encouraged to join the SLA. The annual dues of \$25 are small in comparison with the good work of this volunteer organization. We also offer a lifetime membership of \$200 (non-transferrable). You may join online with the easy-to use membership option on our website or you may print and mail in a membership form and check. See details at: www.slahampstead.org/membership. We hope that you will consider joining and supporting our organization.

Your input is greatly appreciated. If you have questions or comments please do not hesitate to contact me or contact the association at info@slahampstead.org.

Sincerely,
