

## Industrial & Commercial Combustion Engineer

- 📍 **Base Location:** Essex or Suffolk – Colchester, Sudbury, Braintree, Ipswich or surrounding areas
- 📍 **Work Area:** South of England (Home Counties predominantly)
- 🕒 **Job Type:** Full-time, Permanent
- 💰 **Salary:** £60,000 - £75,000 per annum (inclusive of average overtime; dependent on experience)
- 👤 **Reports to:** Engineering Manager

---

### Overview

We are seeking a highly experienced **Industrial & Commercial Combustion Engineer** to join our growing Service and Maintenance team. This mobile role involves a mix of planned and reactive maintenance across heating and hot water boilers, air heating systems, package burners, and associated systems.

---

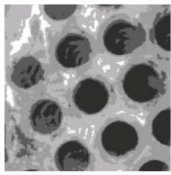

### Key Responsibilities

- Planned/reactive maintenance on commercial and industrial heating and hot water systems
- Testing and purging gas installation pipework
- Servicing of pumps, valves, fans, and associated equipment
- Participate in a one-in-seven weekend on-call rota after probation
- Travel and occasional overnight stays (with notice)

---

### Mandatory Requirements

- **Experience:** Minimum 10 years in the HVAC industry
- **Driving Licence:** Full clean UK driving licence
- **Clearance:** Enhanced DBS or Enhanced Level 1 application-ready

- **Gas Qualifications:**
  - COCN1 (or suitable changeover)
  - CIGA1, CORT1, CPA1, DAH1, ICPN1, HTR1, TCP1
- **Plumbing Qualifications:**
  - City & Guilds Level 3
  - Water Regulations (WRAS)
  - Unvented Water Regulations (G3)
- **IT Skills:** Proficient in Microsoft Word, Excel, etc.

---

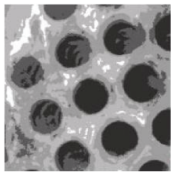

## Preferred Qualifications & Experience

- Industrial gas, oil, or plumbing expertise
- Gas booster/compressor experience
- Renewable energy qualifications (Solar, ASHP, etc.)
- BOAS Category 2 or 5 (CertIBO)
- UKATA Asbestos Awareness
- PASMA, IPAF certifications
- Memberships: CEA, IGEM, CPHE
- Engineering registration: EngTech, IEng, or CEng

---

## Package & Benefits

- **Pay:** Weekly, door-to-door (daily rate includes average overtime over 40+20-hour weeks)
- **Vehicle:** Company van
- **Equipment:** Company phone, tooling, iPad

- **Bonuses:**
  - 6-monthly performance bonus (paid into pension)
  - Monthly team-based voted bonus
- **Holidays:**
  - 20 days + bank holidays
  - Increases by 1 day per year up to 25 days
- **Additional Benefits:**
  - Company pension
  - Cycle to work scheme
  - Full training package

---

## Schedule

- Monday to Friday
- Average 40 hours/week + 20 hours overtime
- Weekend availability (rotational)

---

## Required Certifications

- City & Guilds NVQ Level 3 in Plumbing and Heating
- Commercial Gas Safe accreditation
- Valid UK driving licence

---
